1. PROBLEM Liquor cannot be sold for less than the retailers cost to include cost of doing business. Totally unenforceable and since enforcement of this rule has been suspended for the past 6 months, we've had no problems.

2. SOLUTION TO PROBLEM: Delete WAC 314-52-114

3. BENEFIT TO THE BOARD/CLIENTS/PUBLIC: Let the free market regulate. Benefits the public and those who tried to enforce the rule.

4. EVIDENCE TO SOLVE PROBLEM (Personal Experience/s, Statistics): Numerous complaints and wastes time.

5. ACTION TO BE TAKEN:
